Facilitated by: Vonnie Greenley She is
a mother of two, grandmother of
three . Vonnie has been providing di-
rect and indirect social services
throughout Siskiyou for the past 8
years. She brings a lot of enthusiasm
and positive energy to her class. She is
trained in Positive Parenting
Strategies.

Using the Nurturing Skills program, parents will be part of the planning process as to what they want to learn, discuss and focus on throughout this 12-week series.

Parents will enjoy special time with other parents, discussing challenges, answering questions and learning more about resources and tips in providing a nurturing and safe home for their family.

Free Dinner, Free Childcare, Free Prizes
